

The Hammer Circle Reunion returned to Hull on the 12<sup>th</sup> & 13<sup>th</sup> of October 2013 . The weather was wet! The event was attended by throwers from all corners of the UK and Pete Aston from France. The Association AGM was held on the Saturday and the new secretary was voted in (Paul Dickenson) and thanks were given to Jack Kee for his work as secretary over the past 3 years. Diane remains as Treasurer and Dave Smith was voted in as Chairman. Many thanks to Diane for all the work done to make this a successful weekend (again)

There were 4 personal bests achieved over the weekend along with a UK age best record for a 14 year old with a 3Kg hammer by Stephanie Howe of 56.43m. The event was also attended by our leading senior throwers including Sophie Hitchon, Mark Dry, Alex Smith and other members of the 70m gang including two new members for 2013 Amir Williamson and Mike Bomba. It was also windy but this did not dampen the enthusiasm of the 42 throwers and avid supporters of the event.
